

## Benefits of Foundation Learning

### “Employability and Progression”

- Bite size units of credit to help you build confidence and motivation
- Opportunities to study on personalised programmes which build skills and through the achievement of units which build up to larger qualifications
- Learning will include:
  - Vocational Learning in subject areas of your choice
  - Functional Skills
  - Personal and Social Development – the essential employability skills
- You can easily transfer your learning from one centre to another – and therefore not have to repeat learning
- You will gain from improved learning opportunities to help you build confidence through positive achievements and to fulfil your potential through real progression in learning.
- Your learning is designed to be assessed internally
- You will continually achieve units and credits – this positive feedback is highly motivational
- All qualifications are nationally recognised and employers have helped in their design
- Many Foundation Learners go on to Apprenticeships and other Work Based Learning opportunities
- You may also go on to study Level 2 Programmes such as GCSEs & BTECs and other positive destinations
- Foundation Learning will enable you to reach your full potential allowing you to progress on to your career destination
