

My Success Story

Name: ITASHA MOHINDRU

Programme: E2E

My name is Itasha Mohindru, I am 18 years old and started the E2E programme with TBG Learning in January 2008.

After leaving school I went to Birmingham College of Food where I achieved a Diploma in Childcare, but decided that this was not for me, I wasn't really sure what I wanted to do. I went to connexions to discuss my options with an Advisor, they referred me onto TBG Learning

When I had been at TBG for a couple of weeks, I decided that Administration may be a route that I would like to try.

The Job Brokers found me a work placement in the Administration office at TBG. I started off with filing and photocopying and then answering the phone and booking in appointments from the Jobcentre. I really enjoyed working in Administration and decided that this was the career I would follow. TBG Learning took me on as an Apprenticeship as Receptionist, when I achieved my qualification I was then offered a full time position as Receptionist/Administrator.

I would like to thank everyone at TBG Learning for giving all their help and support to get me where I am today, I very much appreciate it.
